

Tame the Microsoft 365 Cloud

Beat the chaos and simplify your day with N-able™ Cloud User Hub.

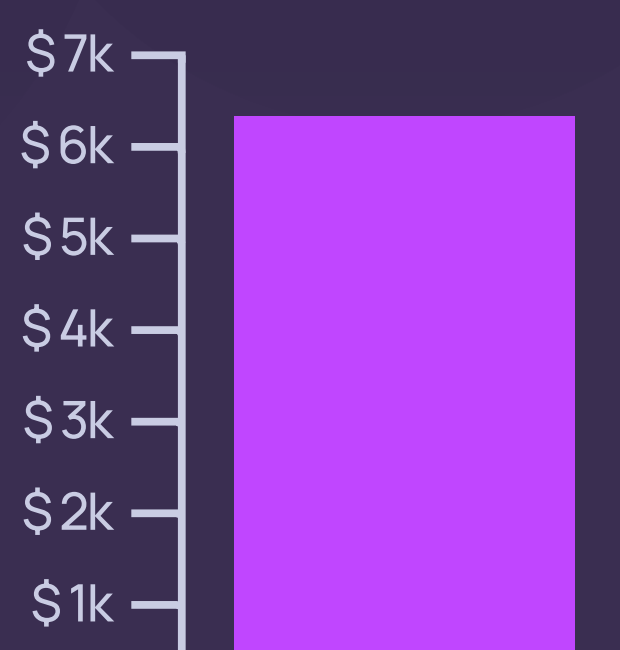

Life before Cloud User Hub

39%
of engineer time spent on manual, repetitive tasks¹

114 hours
to onboard new customer accounts¹

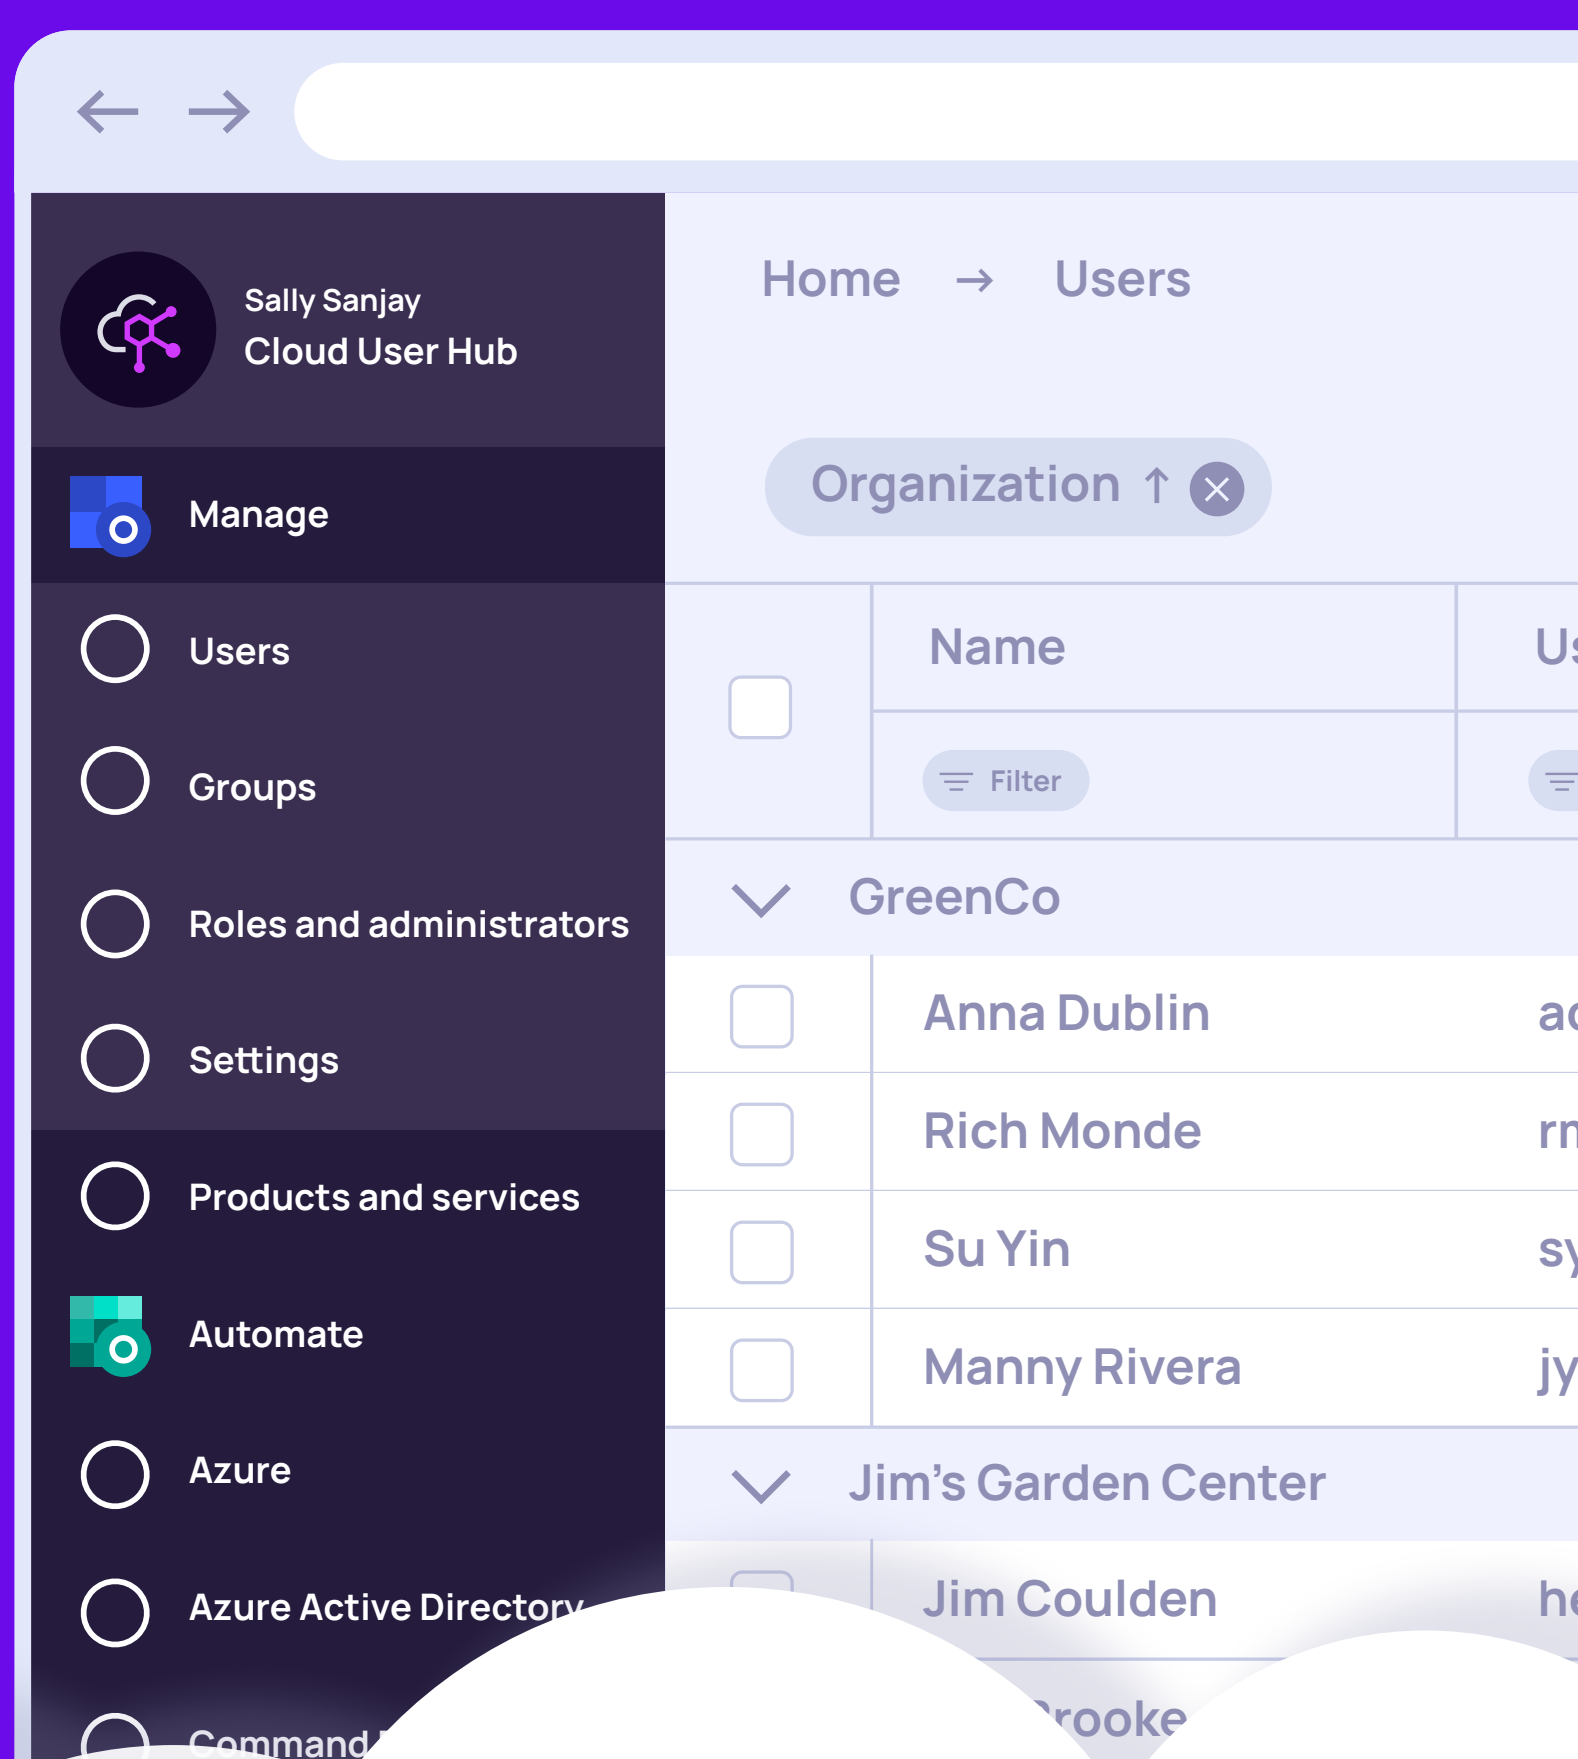

\$6,370 USD
to set up basic compliancy for a tenant (avg.)²

An easier, automated way

With Cloud User Hub, you can automate the set up and management of Microsoft tenants, users, and licenses in a single, convenient hub.

Build once and repeat often by automating common tasks for all Microsoft 365 apps without having to switch portals or customers.

With Cloud User Hub, you...

Work smarter

Set up easy-to-run systems for advanced scalability

Ditch the ticket escalations by automating help desk tasks

Reduce team burnout by getting rid of mind-numbing minutiae

95%
of MSP leaders say automating their processes is necessary to focus on innovation and strategic goals¹

Simplify your day

Standardize best practices for quality workflows

Eliminate the risk for human error

Automate onboarding and offboarding workflows for new folks joining

Strengthen security and compliance

Save time, money, and sanity

Complete more work in less time

Use your new free time to expand into higher-value services

Grant rights access on a granular level

Take on more customers without increasing staff

One dashboard. All the simplicity.

Try Cloud User Hub for free.
